

## OBJETO DO CONHECIMENTO

# CICLO HIDROLÓGICO

### HABILIDADE:

(EF05CI03) Selecionar argumentos que justifiquem a importância da cobertura vegetal para a manutenção do ciclo da água, a conservação dos solos, dos cursos de água e da qualidade do ar atmosférico.

# ATIVIDADES COM FOCO NO ACOMPANHAMENTO DAS APRENDIZAGENS

ESCOLA:

PROFESSOR(A):

ESTUDANTE:

TURMA:

1 O que é cobertura vegetal?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

2 Qual a relação entre a cobertura vegetal e a erosão?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

## ATIVIDADES COM FOCO NO ACOMPANHAMENTO DAS APRENDIZAGENS

ESCOLA:

PROFESSOR(A):

ESTUDANTE:

TURMA:

3 Pesquise dois tipos de cobertura vegetal e descreva-as?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

4 Qual a relação entre a cobertura vegetal e o ar?

---

---

---

---

---

---

---

---

---

---

5 Qual a relação entre a cobertura vegetal e água?

---

---

---

---

---

---

---

---

---

---

**ATIVIDADES COM FOCO NO ACOMPANHAMENTO DAS APRENDIZAGENS**

ESCOLA:	PROFESSOR(A):
ESTUDANTE:	TURMA:

**6** Próximo da sua casa ou da escola, existe algum local sem a cobertura vegetal? O que acontece com o meio ambiente e os moradores?

---

---

---

---

---

---

---

---

---

---

---

---

**7** Na sua opinião, qual seria a solução para melhorar esse local, beneficiando a todos?

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---
